Inactive Master Plumber: Inactive Master Plumber Licenses must be renewed annually. The Inactive Master Plumber license entitles the licensee to the same privileges as a Journeyman Plumber. **ALL WORKING MASTER PLUMBERS (ACTIVE OR INACTIVE) MUST INDICATE THE EMPLOYING ENTITY ON REVERSE.** Failure to renew for an entire year will require payment of a special revival fee. Failure to renew for four consecutive years will require the Master Plumber to retake the Master Plumber examination.

W.S.P.S. Endorsement: A Water Supply Protection Specialist (W.S.P.S.) Endorsement is required for all plumbers who install, repair, or maintain Backflow Prevention Assemblies.

Job Site and Service Vehicle Signs—Required Information: Company Name, Address, Telephone Number, and License Number. The lettering must be at least 2” high and service vehicle signs must be permanent—no magnetic signs. The preceding information must appear in all advertising, business cards, letterhead, etc.

For additional information contact the State Plumbing Board of Louisiana, 12497 Airline Hwy, Baton Rouge, LA 70817. The phone number is (225) 756-3434 and the fax number is (225) 756-3433.

INSURANCE REQUIREMENTS

ALL ACTIVE MASTER PLUMBERS are required to maintain current Certificates of Insurance demonstrating coverage for GENERAL LIABILITY, WORKER’S COMPENSATION AND SERVICE VEHICLE LIABILITY INSURANCE with the Board’s office. Certificates of Insurance that do not stipulate a termination of coverage date (i.e., continuous, continuous until canceled, etc.) will be accepted for the current license year only. State Plumbing Board of Louisiana must be listed as certificate holder on the insurance certificate.

NOTE: A copy of the proof of insurance card for each service vehicle may be submitted in lieu of a certificate for vehicle liability coverage. If you are self-employed and have no employees the completion and notarization of the following affidavit will suffice for a certificate. The affidavit will expire upon change of requirement status or on December 31 of the license year, whichever occurs first. A new affidavit is required for each renewal year.

I, _____, LMP _____, am self employed and I have no employees; therefore, I am exempt from the requirement to carry worker’s compensation insurance. If in the future, I should hire any employees, I will obtain worker’s compensation insurance coverage and submit a certificate of insurance to the State Plumbing Board immediately.
