JOURNEYMAN PLUMBER APPLICATION INSTRUCTIONS

PLEASE READ COMPLETELY

Section 1378 of LA. R.S. 37:1361 et seq. provides for revoking licenses. This clause applies to applicants, as well as, licensed plumbers. **FALSE STATEMENTS CAN DISQUALIFY YOU FROM TAKING THE EXAMINATION.**

Examinations are held in January, April, July, and October at the State Plumbing Board of Louisiana Administrative Office, 12497 Airline Highway, Baton Rouge, La., 70817 (225) 756-3434. * **Please mail applications and correspondence to the BATON ROUGE OFFICE.** Examination dates are subject to change due to conditions beyond the control of the Board. **EXAMINATION FEE: \$125.00.**

Applicants are scheduled on a first come first serve basis. *First time applicants should allow time for voucher verification.* This application must be filled in by the applicant, properly signed, a photo attached and witnessed before a Notary Public. All tools and material for the examination are furnished to the applicant without additional costs, except **applicant must bring a 6 ft. ruler, 2 No. 2 pencils and the La. Plumbing Code/2000 Edition, (ORDER FORM ATTACHED).**

IF YOU ARE RETAKING THE EXAMINATION, YOU WILL NOT NEED VOUCHERS OR PHOTO. COMPLETE THE FRONT OF THE APPLICATION, HAVE NOTARIZED AND RETURN WITH A \$125.00 EXAMINATION FEE.

To qualify for examination, three journeyman or master plumbers currently licensed by the State Plumbing Board are required to verify an applicant's past experience indicating at least five (5) years or 8,000 hours experience installing, repairing or maintaining a plumbing system. Verification should be of his own personal knowledge and not what he has been told. If an applicant cannot obtain vouchers, a completed notarized affidavit may be accepted as proof of past experience. However, the applicant must appear before the State Plumbing Board at the next scheduled meeting in Baton Rouge, La. to review his experience and answer any questions of the Board Members.

For a **TEMPORARY WORK PERMIT** applicant must submit the attached permit form and a **\$75.00 FEE** along with the application to take the examination. An applicant must be deemed eligible for examination before a permit can be issued. This permit will allow the applicant to work as a journeyman plumber until the date of the examination. If an applicant fails the examination, no other permit can be issued.

For **OUT OF STATE PLUMBERS**, a completed application, copy of his/her current valid out of state journeyman or master plumber license and a notarized affidavit, certifying plumbing experience, will be accepted after verifying his/her license status with the out of state licensing board.

No applicant should appear for the examination unless he/she has received a notice from the Board. Notices will be mailed directly to the applicant; therefore it is imperative that the Board have the applicant's correct mailing address. This notice must be presented at the examination site. Applicants will be required to show a photo identification, before being allowed to take the examination. If an applicant does not appear for the scheduled examination, the exam fee will be forfeited. If an applicant withdraws an application, prior to the examination, 50% of the examination fee will be retained for administrative costs.

Upon passing the examination, an applicant will be notified to complete the appropriate form and return with a **\$40.00 fee** for his/her first license. Each license holder will be responsible for renewing this license each year thereafter before December 31st to avoid delinquent fees.

The applicant MUST SIGN below indicating that the above instructions have been read.
