ENFORCEMENT

a.) Informal Hearings

1.)Eric Martin- On April 15, 2013 Glen Gremillion, Enforcement Officer with the State Plumbing Board of Louisiana cited Eric Martin of Quality Plumbing & Piping, LLC for use of Unlicensed Personnel, Roy J. Benoit, at 617 N. Thompson Avenue in Iowa, LA. The minutes reflect that Mr. Martin appeared before the board on Thursday, August 22, 2013 for his Informal Hearing. The Board agreed to a 2 month payment arrangement for \$250 to be paid in September and \$250 to be paid in October. The Board then ruled if Mr. Martin neglected to comply with this agreement then he would have to appear before the Board and the possible suspension of his license. Mr. Martin failed to comply with these arrangements. Mr. Martin was sent a certified and regular letter requesting his presence for the December 12th, 2013 Board Meeting for lack of payment, the administrative staff never received a response to the letters sent and Mr. Martin was absent for the Board Meeting. On February 26th, 2014 Mr. Martin appeared at the State Plumbing Board of Louisiana Office to pay his violation and renewal of 2014 license. However, he was informed by the administrative staff that due to lack of

compliance of his payment arrangement set at the August 22nd, 2013 Board Meeting, the staff was unable to renew his license. Given the circumstance that he did not follow through with his payment arrangement he was informed that he could still proceed with paying his violation but would have to come before the Board to get acceptance and approval to have his 2014 Master Plumber License renewed. Mr. Martin still owes \$500 as of April 2, 2014 in Enforcement Fees.
